BCEGS:	3/3	CRS Points:	2,065
CRS Entry Date:	12/15/1990	Population:	63,505 ±
Current Firm Date:	8/5/2013	County:	Andbackagain
Community Growth Rate (DU):	1.09	Repetitive Loss:	Category C Community (43)

** Note: Please advise me if any of the above information is incorrect.

The following items must be received at the letterhead address no later than April 18, 2014.

Activity 230 – Community Program Data:

- ? Complete as much of page CC-213-2 as possible. At a minimum, lines 6 and 13 and the 16th line, "Period Covered", are required to be completed. The instructions to fill out the form are on pages CC-213-3 and CC-213-4 (See Appendix E).
- ? Provide a parcel map of the community with a floodplain overlay and include a legend.

Activity 310 - Elevation Certificates:

- ? Please send a list/report of permits identified by address for only finished new buildings built or substantially improved in the Special Flood Hazard Area (SFHA) since the last cycle visit (March 11, 2009). Please include the source and date range of the list.
- ? Omit from the list permits for structures not in the SFHA (verify Item B8 with 2 zones)
